Collegedale Academy Eligibility Requirements for National Honor Society Membership

National Honor Society (NHS) is more than just an honor roll. It is based upon a student's outstanding performance in the areas of: Scholarship, Service, Leadership, and Character. These criteria for selection form the foundation upon which the organization and its activities are built.

Scholarship

Students who have a cumulative grade point average of 3.5 (on a 4.0 scale) or higher meet the scholarship requirement for membership. These students are then eligible for consideration on the basis of service, leadership, and character.

Service

This quality is defined through the voluntary contributions made by a student to the school or community, done without compensation and with a positive, courteous, and

enthusiastic spirit.

Leadership

Student leaders are those who are resourceful, good problem solvers, promoters of school activities, idea-contributors, dependable, and persons who exemplify positive attitudes about life. Leadership experiences can be drawn from school and community activities while working with or for others.

Character

The student of good character upholds principles of morality and ethics, is cooperative, demonstrates high standards of honesty and reliability, shows courtesy, concern, and respect for others, and maintains a good and clean lifestyle.

1. I am aware that I am eligible for consideration for membership in the National Honor Society based upon my current cumulative grade point average (see scholarship requirement above).

2. I am aware that membership in the National Honor Society is based upon a multi-criteria selection procedure. A high academic average, in and of itself, is no guarantee of membership in the National Honor Society. NHS membership is based on scholarship, leadership, character and service.

3. I have read the summary of the Collegedale Academy Eligibility Requirements by which academically eligible students are considered and selected for National Honor Society membership. See Student activity form

4. I am aware that I must complete this application to be eligible for consideration for membership in NHS.

5. I understand that completion of these forms does not guarantee membership but that I am being considered for membership in the National Honor Society.

As parent/guardian of the above-named student, I have read the written description of the selection procedures by which students are selected for membership in the National Honor Society (see above criteria). I realize that a student must meet all criteria for selection: academic average alone does not qualify a student for membership in the National Honor Society. I agree that the above named student must meet monthly leadership/service activity requirements or forfeit National Honor Society membership (if membership is granted) and if the above-named student does not complete the monthly required hours, he/she and parent/guardian will receive a written warning and if not corrected will result in dismissal from the NHS. I agree to let the above-named student participate in the consideration and selection procedures.
