

Dear Family and Friends,

I hope you all had a wonderful summer. It is good to see many of you again as we begin this school year. And it is wonderful to be able to meet many of the new families that have joined the AWS and CAMS family.

I wanted to update you on some of the ministries you can get involved with at both AWS and CAMS.

First, we are in need of more classroom chaplains. Each teacher has a classroom chaplain(s) that will usually come in once a week and lead a worship with the kids. Sometimes there will be multiple chaplains per classroom and that will divide the responsibilities between several adults. The mission of the chaplain program is primarily to help children grow in their relationship with God. However, it is a great opportunity for adults to build lasting relationships with these students. It is wonderful for every child to have several positive adult role models they look up to. Each teacher will try to be flexible with the time that you can give. But, scheduling the worship time is up to each teacher and may vary from class to class. If you are interested, you can contact your child's teacher, Pastor Tabor, or Tina Shabo, our parent chaplain coordinator. Even if you have questions about the program, or know someone outside of our immediate school family that would like to be a part of this, please contact us. We hope every classroom can be blessed to have multiple adults helping this children grow in Christ.

Second, we wanted to let you know about our parent prayer days. At the beginning of Mondays and Wednesdays there will be a small group of people praying for the students and teachers of our school. On Monday mornings at 8:00 at AWS, and Wednesday mornings at 8:00 at CAMS we will gather to pray. We try to finish in 10 to 15 minutes to let everyone continue on their way. There is no weekly commitment to this. We just wanted to invite you to stop by Mondays or Wednesdays and pray with us.

I hope this will be a wonderful year for your family. I pray that God will help each one of us grow in His grace and guidance as we help these students grow up in Him.

Blessings,

Pastor Tabor

Feel free to contact Pastor Tabor or either school for more information.
