## *2019 GCC Music Festival*

Dear Fellow Music Teachers,

We are excited about hosting the Georgia Cumberland Conference band and strings Music Festival again this year at Collegedale Academy. The festival is a two-day event held on the campus of Collegedale Academy on January 25-26. Check-in registration and arrival time is 7:30-8:15 on Friday morning. Students will arrive and rehearse all day on Friday and give a vespers concert that night in the CA Auditorium at 7:00 pm. On Sabbath, each group will play for one of the morning worship services at the Collegedale Church on the campus of Southern Adventist University. This is a wonderful opportunity for the students to use their talents to praise God in worship as they lead out in the church service. What a blessing it will be!

We have made great efforts to keep costs low to each of you. So, the fee for the festival is only \$15.00 per student this year. This is to help cover the costs of clinicians, music, and meals that are provided. There is no charge for directors or chaperones.

The festival is open to all 6<sup>th</sup>-9<sup>th</sup> grade students. We encourage all instrumentalists with at least two years of experience to participate with the band or strings. If you are interested in participating, directors and homeschoolers need to please visit <https://www.gcss.org/middle-school-instrumental-invitational/> to register and download important PDF's. Please have applications completed no later than December 7. Homeschoolers, please contact Debbie Anderson to get copies of the music.

If you would like more information concerning the festival, please feel free to contact Gregory Lindquist at Collegedale Academy. We look forward to making music together!

Sincerely,

Gregory Lindquist
