

NAEP 2019 PARENT/GUARDIAN NOTIFICATION LETTER PRIVATE SCHOOL
Grades 4 and 8-mathematics and reading assessments

January 14, 2019

Dear Parent or Guardian:

We are pleased to notify you that Collegedale Adventist Middle School has been selected to represent private schools across the nation by participating in the National Assessment of Educational Progress (NAEP) on Monday, February 25, 2019. NAEP is the largest nationally representative and continuing assessment of what students in public and private schools know and can do in various subjects. It is administered by the National Center for Education Statistics, within the U.S. Department of Education. NAEP is different from state and school assessments because it provides a common measure of student achievement across the country. The results are released as The Nation's Report Card, which provides information about student achievement to educators, parents, policymakers, and the public.

Your child will take an assessment in mathematics or reading. In addition to subject-area questions, NAEP survey questionnaires are voluntarily completed by students. The questionnaires provide valuable information about participating students' educational experiences and opportunities to learn both in and out of the classroom. More information is available at <https://nces.ed.gov/nationsreportcard/parents> under the section "What Questions Are on the Test?"

The assessment takes about 120 minutes for most students.

The information collected is used for statistical purposes only.

- Your child's grades will not be affected.
- Students may be excused for any reason, are not required to complete the assessment, and may skip any question.
- While the assessment is voluntary, NAEP depends on student participation to help policymakers improve education. However, if you do not want your child to participate, please notify me in writing by Friday, February 15, 2019.

There is no need to study in preparation for NAEP, but please encourage your child to do his or her best. A brochure that explains what participation in NAEP means for you and your child is available at <https://nces.ed.gov/nationsreportcard/pdf/parents/2012469.pdf>. Contact Missy Ammerall at 423-396-3020 or at mammerall@gccsda.com if you have any questions. To learn more about private school participation in NAEP, visit https://nces.ed.gov/nationsreportcard/participating/private_nonpublic.aspx.

We are excited that our school is participating in NAEP. We know that Collegedale Adventist Middle School's students will show what our nation's students in private schools know and can do.

Sincerely,
Barbara Hunt
