We are a Seventh-day Adventist school established to educate, equip, and inspire students to be critical thinkers who serve others and reflect Christ's character.

Fogg's Corner

Good day all and welcome to the last week of school. Time seems to move ever so quickly through the school year. So you can imagine my feelings of retirement getting here so quickly. While we call it retirement, I plan to call it "resigning" until something comes up that strikes my interest. My plans are to be in the area so when we run into each other, I will be interested in catching up on your family and children. It has been an honor to serve this community in such a way that relationships have been established forever. I solicit your support for Missy Weddle as she takes the reigns of principal. She is an incredibly talented educator who is ready for the challenge.

Thanks to all, Tom
