ACT REGISTRATION FOR COLLEGEDALE ACADEMY (HIGH SCHOOL)

Registration for ACT is online: www.actstudent.org

The Plus Writing test is optional **UNLESS** students plan to take Composition (Comp) 101/102 at the high school, which is a dual enrollment course.

Codes for registering:

1. CA High School Code – **430400**. This informs ACT your student is a Collegedale Academy High School student.

2. CA High School Test Center Code – **184726**. This code confirms that testing will move from Saturday to Friday.

Once the registration is paid (only by Credit Card) print off the Admission Ticket. The ticket will show Friday as the national test date not Saturday. If it does not or if there is a problem, you need to contact ACT directly (1-800-553-6244 x1270) and speak to a rep about the issue.

Be aware of the following:

- Pay close attention to registration deadlines.
- Inputting CA's Test Center Code (184726) changes the Saturday test to the Friday test date.
- Students are required to upload a self-photo for the testing identification. Both Android and Apple App stores have the ACT Photo App, which makes this process easier.
- It is important to print out the admission ticket, as this is one of the documents students need to be allowed into the testing room on the day of testing.
- Students may take the ACT up to 12 times.

- SAU's Counseling and Testing Center offers a non-national ACT testing if students want to practice taking the ACT without the score going on their transcript. Contact the Counseling and Testing Center for more information 423-236-2782.

The High School offers the ACT four times per year and the dates are on Fridays, one day before the dates listed. Since ACT scores are important the High School will reimburse juniors only the February testing fee.
