

Dear Seniors,

My heart is heavy for you all. It has been an honor to be your principal, for many of you for four years. I've seen you grow, learn, and become the young man or woman you are today. Now we are at the end of your senior year and the world has completely changed in the past few weeks. I know for seniors this is especially tough with Senior trip being postponed and potentially graduation being affected (it is currently still on the calendar)..

While I don't want to blow smoke, I do want you to know that we will do everything we can as a school to work through these two memorable occasions. First, once we get our online curriculum going, I will be glad to meet with the senior class officers and discuss a trip during finals week if things have returned to normal. I'll also listen to suggestions they may have, if that doesn't work. Second, **WE WILL HAVE A GRADUATION SERVICE**. I don't care if it is in September!!! I have developed a strong relationship with many of you and care for you deeply (including my own son:). I've seen you excel in academics, perform wonderful works of music, present awesome Honors projects, and compete on the sports field. These are wonderful memories that I will cherish forever. You all deserve to march and be recognized (sorry getting a little emotional).

Let's see where God leads . . . my prayer is that all of you are safe and that you know how much the faculty and staff of CA value you! If you have any questions, don't hesitate to contact me.

Blessings –
