

Collegedale Academy  
Head of School Update  
12-3-20

Dear CA Parents:

I just received word from the Hamilton County Health Department of a change in the length of quarantine time for a close, positive COVID exposure. The new regulation is as follows:

1. 10-day quarantine from the date of the last exposure.
2. 7-day quarantine, if individual is symptom free during quarantine AND takes a COVID test during days 5 thru 7 AND receives a negative result.

Thank you again for helping us keep our school healthy! We have been so blessed to not have an outbreak of cases here. Please continue to keep your child home if they exhibit any COVID-like symptoms and have them tested.
