

Head of School Update  
9-1-20

Health update: This area changes so quickly so here is our latest outline of how to handle illnesses and COVID-19.

If a student comes in close contact (within 6 feet for more than 10 minutes) with someone who tests positive with COVID-19, they must quarantine for 14 days from the exposure.

If a student tests positive for COVID-19, they must quarantine for 10 days from the time of a reduction of symptoms and/or no fever.

If a student is sick and has a temperature, they can either A. stay at home for 14 days or B. they can get a COVID test (in combo with a doctor's visit) and if negative, they can return 24 hours after illness is completely gone.
