We are a Seventh-day Adventist school established to educate, equip, and inspire students to be critical thinkers who serve others and reflect Christ's character.

We have had the privilege of holding a **Hope Twinkles Play-a-thon** to benefit Puerto Rico, California and the Bahamas. Now, it's our turn.

The tornados that ripped through East Brainerd, Ooltewah, Collegedale and Cleveland on Easter Sunday did SO much damage, to people dear to us as well as strangers. For many of us, there's no real way to grasp the extent of the heartache, or to really do much to alleviate it. But we CAN turn music into money. By God's grace we've done it before. And now, it's time to do it again. The Samaritan Center (though closed for shopping) is very much open for helping these hurting folks. We've been honored to partner with them in the past, and will do it again this time, too.

We can't gather in person to play for hours on end. But we can still put our music out there "in the air" for people to be blessed by. Here's how:

Sunday, May 3-Thursday, May 7 we will stream (up to) **5, 1-hour episodes** of **Hope Twinkles, Benefit Concert Edition**. We'll be putting together as many solo and family-music videos as we can. We'll air them on YouTube Live, each evening, with a banner link to the Samaritan Center's donation page, asking people to donate specifically to tornado relief.

See attached for more detailed information.

➤ **End of Year Pick-Up**

We will have a final pick-up for all remaining student belongings on
Wednesday, May 13th, 3:00 – 6:00 pm.
