## Introducing our Three New Teachers

**Rachael Clark – 1<sup>st</sup> Grade**

I am really excited to be teaching first grade at Collegedale Academy this year! I grew up in Wisconsin. After graduating from SAU in 2002, we loved it so much here that we made Chattanooga our home! My husband and I have been blessed with three beautiful children, Arianna, Branston, and Calaina. I truly feel that God has blessed me with this teaching position. It is my goal to help each of my students grow spiritually and to achieve academic success

**Adele Inglish – 3<sup>rd</sup> Grade**

I'm from Wisconsin and graduated from Southern Adventist University in 2015. Since then I've taught grades 3-6 in Green Bay. I'm currently working on my masters' degree in Curriculum and Instruction. I live with my husband Josh and our cat Dido. I love reading, playing my guitar, singing, and camping. But most of all I love being a teacher because I get to bring kids to Jesus! I'm looking forward to working at Collegedale Academy and getting to know you all!

**Kassandra Fernandez – 5<sup>th</sup> Grade**

I have greatly enjoyed teaching in grades 5th-8th for the last four years in Atlanta, Georgia. I grew up in Florida and graduated from SAU. In the classroom, I work hard to make sure my students are having fun but also challenged. I love fifth grade because it's an impactful age where students are learning who they are, and I have the opportunity to help each student grow closer in their relationship with God and more confident in who He has called them to be.
