

Collegedale Academy  
Enrollment Agreement  
2020-2021

For the 2020-2021 school year, Collegedale Academy recognizes the concern of parents in the midst of the COVID-19 pandemic. With this in mind, CA parents will be given two alternatives for enrollment from our in-person learning environment in which to choose from:

1. Intermittent Attendance
2. Virtual Instruction

Each option allows for a parental choice in their child's educational experience vs. the potential of exposure to COVID-19. CA will go above and beyond with additional teaching responsibilities of working with this diverse learning platform and create the safest environment possible. Tuition/fees will remain the same for any option chosen.

**Intermittent Attendance:**

Student will attend school two days per week (days to be determined by school administration), while attending off days virtually. Parents are responsible for student attendance while attending class virtually.

**Virtual Attendance:**

Student will attend all classes virtually. All CA classes will be live-streamed and/or recorded for future viewing for students who elect this option. As a reminder, CA is NOT set up as a virtual school. This type of instruction is different than how instruction was handled at the end of last school year. Our focus is on in-classroom instruction. Students online will watch in-person instruction. At the end of a lecture or lesson plan, teacher will then check for understanding with those online. Homework will be turned in either through email/Google Classroom or dropping off at the front desk. Assessments will be administered by faculty and in many cases, the honor system will be used. Faculty may change grading scale and weigh a proctored assessment more heavily. There may be some variation to this instruction between buildings.

I, \_\_\_\_\_ parent of \_\_\_\_\_  
choose the alternative to in-person instruction (please circle):

1. Intermittent Attendance      2. Virtual Attendance

We understand that we can move to another option when we as a family feel it is necessary. Once that change has been made, the school, under rare exceptions, will not allow further changes to enrollment option.
