## Hot Lunches at Collegedale Academy for grades 9-12 Homecooked Meals & Class Expenses Fundraiser

*Each student has the option of purchasing a hot lunch at Collegedale Academy each day.*

*Meals are \$5 each and are purchased during lunch time.*

*Lunch cards may be purchased in sets of 10 at the business office.*

*Students may choose to bring their lunch if that is their preference.*

- The hot lunch program serves as a fund raiser and is primarily supported by parent volunteers.
- The proceeds of the hot lunch program help offset each class' expenses, including senior class trip.
- Each day of the week is assigned to a particular class. Volunteers help prepare lunch for that week.
- Parents from each class volunteer to help **cook, shop, or coordinate** the class's volunteers.
- Each class has a lead parent volunteer who coordinates the volunteers from a class to cook, shop, and other needs for each meal.
- **All parents' help is encouraged and welcomed.** The range of how often parents can help is wide, ranging from a time or two each semester to once a week.
- The number of volunteers needed for the preparation of the weekly lunch is determined by the intricacy of the meal and lead hot lunch volunteer.
- By the senior year, the hot lunch fundraiser has typically provided at least 50% of the senior class expenses.
- In general, our hot lunches and other class fundraisers defray the individual student costs of the senior class trip from over \$1000 to \$300 - \$350 out-of-pocket ("cash cost") per student.
- Starting in 2021, volunteer incentives will be available to help defray the "cash cost" of their student's senior class trip. See the "Volunteer Incentives Parameters" document for details. Note: volunteers must fall into the "consistent" and "regular" categories to be eligible for the incentive, with opportunities available all years of a student's fulltime enrollment at CA. (More details are available from the class lead volunteer or CA's Marketing & Recruiting office)
