Uniform Resale

The CA Home and School Association provides uniform resale events throughout year with opportunities to sell and buy previously worn uniforms. This is a good way to obtain gently used uniforms for less cost. All grade level uniforms are represented in the resale, based on what sellers provide. The resale events are held on the bottom floor of the CA elementary building.

- A uniform resale is held during registration.
- Additional, uniform resales are announced throughout the year in weekly parent newsletters.
