

Collegedale Academy
COVID PROTOCOL

as of 8/18/22

From Collegedale Academy's Administrative team:

Our administrative team realizes that our current COVID protocols do not cover all situations. Upon advice from our physicians group, below are the policies CA will follow to help us keep our students well.

If your child shows signs of being sick, KEEP THEM HOME & TEST for COVID.

When a student tests positive for COVID, the student will remain at home for a **minimum of 5 days** and then can return to school after being symptom free for 24 hours.

We do reserve the right to make temporary changes/decisions if COVID becomes an epidemic at school.

Frequently Asked Questions Regarding COVID:

Does my child have to quarantine if there is a positive case in our household?

No, if they are symptom free.

Does my child need to wear a mask at school when they return?

No, masks are optional.
