

in partnership with

Collegedale Academy offers **Partnering for Eternity** (PFE) grant program for our elementary and middle school students (grades K-8). PFE is a scholarship type opportunity for approximately 80 students.

Our partnership with the PFE foundation, has the opportunity to offer a scholarship type of assistance to our students. Through this service-oriented scholarship grant, our participating students' pair with mentors in our community in a mutually beneficial way.

Students in the PFE grant, along with their parents, bring joy to the lives of mentors through fun activities such as visiting, reading, and playing games. When appropriate, they may also provide light housework. As the young people build generational bridges and learn the value of service, they also benefit from the wisdom and mentorship of the older adults. In the process, their time together helps finance the student's Christian education.
