

STEAM EXPO

SCIENCE ■ TECHNOLOGY ■ ENGINEERING ■ ART ■ MATH
AT COLLEGEDALE ACADEMY

STEAM exhibits and activities for all ages!

Join us for fun, learning opportunities, door prizes, and awards for STEAM challenge competitions.

Schedule

6 - 7 p.m.

Community presentation by keynote speaker

Location: Auditorium @ CA high school building

STEAM activities for elementary students

Location: CA's Upper Room @ the high school gym

Note: If parents would like to attend the presentation, kids in grades K-5 may be checked in to drop-off area.

7 - 8 p.m.

STEAM Expo

Activity booths run by CA students (early childhood to grade 12), STEAM challenges for all ages, art exhibits, robotics competitions, and science demos by SAU faculty and students.

Location: CA's high school gym

Keynote Speaker: Joby Minor

Joby Minor is an aerospace technologist at NASA's Marshall Space Flight Center.

During his 30+ years with NASA, he has served as the Payload Operations Director for the International Space Station and worked with Orion and Artemis (twin of Apollo) deep space exploration projects.

Tuesday, March 28

CA High School | 4855 College Drive E., Collegedale
