## Living Library Volunteers Needed

Interested in sharing about your culture? We need you! We are excited to have the Living Library at the middle school again this year. Last year was the first year we did this interactive learning experience, and it went well! This will be on April 26 & 27; you can sign up to present in one class or all nine if you would like. To participate, please complete this simple [Google Form](#). Mrs. Ancheta will reach out to confirm which days/times you will present. Thank you for your willingness to help!

## Spring 2023 Community Service Day

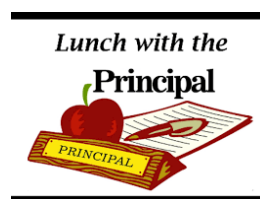

Middle school community service is more than something that your mom insists will look good on your academy application. It instills a lifelong habit of helping others. It encourages us to look to the needs of our community and use our resources to pass on good to those who need it most. Whether it's a service that is well-known and carries prestige or small acts like clearing trash and debris from a nearby creek, all are valuable contributions. This spring, our students had the unique opportunity of serving in locations including the Creative Discovery Museum, Chattanooga Zoo, South Chattanooga Community Center, Room in the Inn, and the YMCA. On two Fridays each year, students will pause their academic studies to help others, the community, and the environment. The goal is to instill in them a commitment to service that will continue into high school and beyond.
