All are encouraged to come and pray for the high school students each week on Thursdays starting at 8am. Currently the group is meeting in 50s Diner. For more information, please contact the group's volunteer leader Ingrid Moon - 719-480-2146.

**AM TRAFFIC**

If using the front entrance to drop off your student, please pull forward toward the side parking lot. If you stop near the Science/Tech building, traffic can often back up into the street blocking everyone. Thanks for your cooperation!

## Georgia Cumberland Conference Recommended Policy Regarding Students with Allergies:

It is the goal of schools in the Georgia-Cumberland Conference to provide a safe environment for all students. However, it is not feasible to guarantee that students with allergies will not be exposed to potential allergens within the school environment. This includes food allergens such as wheat, soybeans, dairy products, and peanuts. Therefore, it becomes the responsibility of the parents and students with allergies to assist the school in developing procedures to minimize potential exposure and to determine the appropriate course of action should an allergic reaction take place. The school faculty will attempt to assist the student and parents in following the plan as outlined to minimize potential exposure to allergens. However, parents and students must recognize that the school cannot control every scenario that might result in such an exposure. Thus, it is extremely important to have procedures in place in the event of an allergic reaction.
