

DRESS CODE

We believe each young person is God's precious child, a unique creation who deserves respectful treatment from themselves and others (Ephesians 2:10; Romans 12:1-2; 1 Timothy 2:9). Attire should be modest, neat, clean, non-distracting, and appropriate for time and place. This dress code applies to CA students while on campus and on any school-sponsored trip.

These guidelines are not published as a moral standard of right or wrong but are a statement of what students attending CA are expected to wear. They are meant to avoid distractions and help promote good decorum in the classroom. The following guidelines are meant to help students present themselves ready for school in the proper dress attire. **Students are to be within these guidelines for school from 8:00 AM, until the end of their school day.** Students who are not in class, but remain on campus for appointments, must stay in the school dress code. Afterschool work assignments may allow for a modified dress code at the work supervisor's discretion. School dress should be clean, properly fitted, and modest. In matters of opinion, the judgment of teachers and administration will prevail. Violators of the dress code will be sent to the office if the infraction is not immediately correctable. They will be required to stay in the office until the dress code is rectified. The student will receive zeros on any work missed during the time in the office.
