**GCC Club Privileges:** Pathfinder Clubs will be fully recognized and receive all the privileges of a GCC Pathfinder Club including access to the Advent Source Code, after they have completed the following requirements:

- 1) Complete and send in the yearly application with indicated church board signatures.
- 2) Roll over/add club members and staff by October 5 or within 60 days of submitting the application (whichever date is latest).
- 3) Maintain club records and member profiles including current records with the required Sterling Volunteers background check.

**Failure to complete the requirements may result in deactivation of the club application.**

Staff/Club Registration: Due to child safety issues, ALL club staff and Pathfinders over the age of 18 must complete online screening/training through Sterling Volunteers and be registered on the Pathfinder website before attending an overnight event or participating in a conference event.

Event Reg. Policy: Only those who have cleared the background check and have been registered as staff/parents on the Pathfinder website will be eligible to register for events. Registration must be completed by deadline and only paid registrants are guaranteed admission to events.

Once registration is closed, your club is responsible to pay for all the registered participants whether or not they attend. **REGISTRATION FEES ARE NON-REFUNDABLE AFTER THE DEADLINE.** Payment for each event is due one week after the Registration Deadline.
