CA Middle Week of Prayer- Discovering Our Identity Christ Through Our Story

On Monday, Collegedale Academy Middle School began its week of prayer with the theme, "Discovering Our Identity in Christ Through Our Story." Mrs. Julie Foster, Bible Teacher for the CA High School has been sharing powerful messages with the students about not being defined by our moments in our life. We can always change the trajectory of our lives by the next choices we make. We need to let Jesus be the heart of our story.

Mrs. Foster asked CA High School students to share their testimony during her talks. They have shared their stories about who they are in Christ. As part of our time together, students have been journaling reflections of how they see God in their story. Week of Prayer has both challenged and blessed our faculty and students.

School Lunch

Collegedale Academy Elementary & Middle

At Collegedale Academy Elementary & Middle Schools, we use the LunchTime software for meal orders and online payments, so you will need to set up a LunchTime Account. A major benefit is that it enables you to pay for school lunches online with ACH or a credit card (with a service fee). Cash and check payments can also still be made at the front office. **Parents need to PRE-ORDER lunch for their child(ren) BEFORE 8:30 am.** Multiple orders for lunches can be made ahead of time, but students will NOT be able to order in their classroom. Lunches cost \$5.00 and drinks cost \$0.50.

- Students will not be able to order in the classroom.
- Parents will need to preorder with the LunchTime app or website BEFORE 8:30 am.
- Lunches can be preordered weeks in advance.
- You can pay online with a credit card or ACH, or you can send cash or check to the school.

New Users: Set Up A LunchTime Account

- Visit schoolpaymentportal.com or scan the QR code below on your phone.
- The first time that you visit the website, you will need to create an account and follow the instructions.
- Once you are logged in, click the Add Student button.
- Enter the School's Zip Code, **37315**, continue, and select **Collegedale Academy**.
- Enter your student's school **ID number** (it's on your financial statement) and information for each student you wish to add to your account.

To Preorder Lunches:

- Click the **Meal Pre-Order** button and make your selections.
- Be sure to **check out from the cart** when you are finished.

To Make Payments:

- Click on **Cafeteria Deposit** in the main menu. (On the website, it's a button about halfway down the main page.)
- Enter the Deposit Amount for each Student listed and click the Continue button.
- Follow the screen prompts to setup your payment options.
- Please note that there will be a service fee when you make payments. (Credit Cards: 2.3% + \$1.00 per transaction)
- You may still bring clearly marked cash or check payments to the front office if you prefer that method of payment.

Scan the QR code to set up your account, order lunches, and make lunch payments. Or visit schoolpaymentportal.com.

Picture Day a whole new way

A new school portrait experience designed by you, for you.

- Preview your pictures before you buy
- Buy only what you want
- Personalize your photos with a variety of backgrounds and add text
- Photos ship directly to home
- High-res digital downloads
- If you have more than one child, you can order everything together and pay only once

Our "Green Screen" technology allows you to personalize backgrounds.

But it makes green clothing disappear into the background.

Don't wear green for picture day please!

Get ready for Picture Day!
